Style	1A95 Energized Tile
Pile Yarn Content	100% Mohawk Color Strand Nylon With M.P.P.
Construction	Enhanced Loop Graphic
Dye Method	Solution/Space
Gauge	1/10
Stitches Per Inch	11,3
Pile Thickness	0,127
Density	5669
Weight Density	113,38
Total Weight	93,0 Oz
Weight	.20 Oz/y2
Primary Backing	Woven Polypropylene
Secondary Backing	Fiberglass Reinforced Thermoplastic Composite
Size/Width	24" W x 24" L
Pattern Repeat	N/A
Static (AATCC 134)	Less Than 3,5 K.V
Radiant Panel	Class I, ASTM E -648
Smoke Density	Less Than 450, E- 662 (Flaming Mode)
Pill Test	Pass - 16CFR - 1630,4 (FF-1-70)
Green Label Plus	3990
Recycled Content	Minimum 35% pre-consumer by total weight
Performance	Severe Commercial
Warranties	Lifetime Limited Wear Warranty, Lifetime Limited Static Protection, Lifetime Limited Edge Ravel Warranty, Lifetime Limited Zippering Warranty, Lifetime Limited Delamination Warranty, Lifetime Limited Dimensional Stability
	Mohawk Protection Plus...Soil Protection Plus Stain Blocker (Food and beverage stains only)
