Style	1B10 Powered Tile
Pile Yarn Content	100% Mohawk ColorStrand Nylon With M.P.P.
Construction	Enhanced Loop Graphical
Dye Method	Solution/Space
Gauge	1/10
Stitches Per Inch	10,7
Pile Thickness	0,096
Density	6000
Weight Density	96
Total Weight	86,00 Oz.
Weight	18 Oz/y2
Primary Backing	Woven Polypropylene
Secondary Backing	Fiberglass Reinforced Thermoplastic Composite
Size/Width	24" W x 24" L
Static (AATCC 134)	Less Than 3,5 K.V
Radiant Panel	Class I, ASTM E -648
Smoke Density	Less Than 450, E- 662 (Flaming Mode)
Pill Test	Pass - 16CFR - 1630,4 (FF-1-70)
Green Label Plus	3990
Recycled Content	Minimum 35% pre-consumer by total weight
Performance	Savere Comercial
Warranties	Lifetime Limited Wear Warranty, Lifetime Limited Static Protection, Lifetime Limited Edge Ravel Warranty, Lifetime Limited Zippering Warranty, Lifetime Limited Delamination Warranty, Lifetime Limited Dimensional Stability Mohawk Protection Plus...Soil Protection Plus Stain Blocker (Food and beverage stains only)
